

Extra fuel tank

Professional fuel tank with wide range of a capacity from 200 to 930 liters, depending on type of body, wheel base, etc. Fuel tank is made of a steel, an aluminium or an acid-proof steel.

Fuel tanks are full equipment with: inlet fuel plug, bands, paws, etc.

Fuels can be used as a spare parts or as a supplement which increase capacity of fuel in your car.

For big trucks which are with semi trailer or tanker we recommend a join tank: KOMBI. Join tank consist of 2 parts – one for an diesel oil, one for an hydraulic oil.

Fuel tank's equipment is configuring individual for each type which enable us to easy instalment.

In our offer we have fuel tanks to:

- DAF
- IVECO
- MERCEDES
- RENAULT
- SCANIA
- VOLVO
- JELCZ

More details you will find on our website.
